Carla and Elene Report:

Hi! We're introducing our fantastic yearbook, popularly known as THE EAGLE . . . the yearbook helps us recall the events and people that passed through our vision in the school year of 1978 to 1979 . . . As editors, we have strived to make this yearbook recapture all the memories, all the events at Bell during this past year . . . Bell had some new items awaiting the opening of the school year . . . A very special person came in through our doors . . . MR. JACK HASTINGS, our new principal . . . Mr. Hastings was once a teacher at Bell . . . Our new gym had its first year's worth of use this year . . . Our sports teams gave us their best efforts and performances this year; they did extremely well in Eastern League play: Varsity football made second in league, Bees made Tri-Champs, Soccer placed second, Girls swim placed first, Girls tennis placed second, Cross Country went to city finals . . . these are just a few examples of what Bell Sports can do . . . We saw GRACIE GARCIA crowned 1978 Homecoming Queen at a victorious football game . . . We discoed and rocked through various dances: Kickoff, Christmas, Valentine's . . . to name a few . . . Bell has stood for fifty-three years as we end this term . . . and as the song goes we're "Still Crazy After All These Years" . . . There are so many stars in this book and we hope they will continue to shine.

Varsity Football Does Their Best Through A Grueling Season.

The Bell Varsity football team started out in the pre-league games very slowly. They played the 4A teams which were ranked 1st, 3rd and 10th in the city. They only scored seven points out of all three games, but they proved to be the mighty purple machine when the League games opened. They defeated Roosevelt, Huntington Park and Garfield. They were defeated by the Jordan bulldogs which were ranked first in the city. The game everybody wanted to see was against the South Gate Rams which would determine who would go to the playoffs. The Eagles defeated the Rams 8 to 7, which ranked them 2nd in Eastern League. Overall, Bell had a very good season.

The 1978 Bee's were Tri-Champs of the Eastern League, they shared the title with Roosevelt and Huntington Park. After losing their first game of the season against Roosevelt, they showed what spirit that they had left by beating Huntington Park, Jordan, and South Gate, which were games they could not lose. The big game everyone was waiting for was against the South Gate Rams which Bell Bee's defeated with the score of 24-0. Bee's continued to dominate the Eastern League for the second year in a row. The 1978-1979 Bell Eagles soccer team ended their league play placing second in Eastern League competition. It was the second most successful year ever. The Eagles ended their 1978-1979 season with a 10-4-1 record. The team fought enthusiastically its way to the city quarter-finals, losing to Poly 0-3 in the second round of the playoffs. One of the most satisfying wins of the competition was the 3-2 victory over Lincoln, a hard fought game that went into three overtimes to be determined. Most prolific scorer in Eastern League was sophomore Martin Castaneda scoring 20 goals in 12 games. Coach Bill Albano worked hard with the soccer team. He was assisted in coaching by Mr. Ruben Gonzales. Much time was spent by both students and coaches alike, to achieve the fine quality of play that was demonstrated during game time.

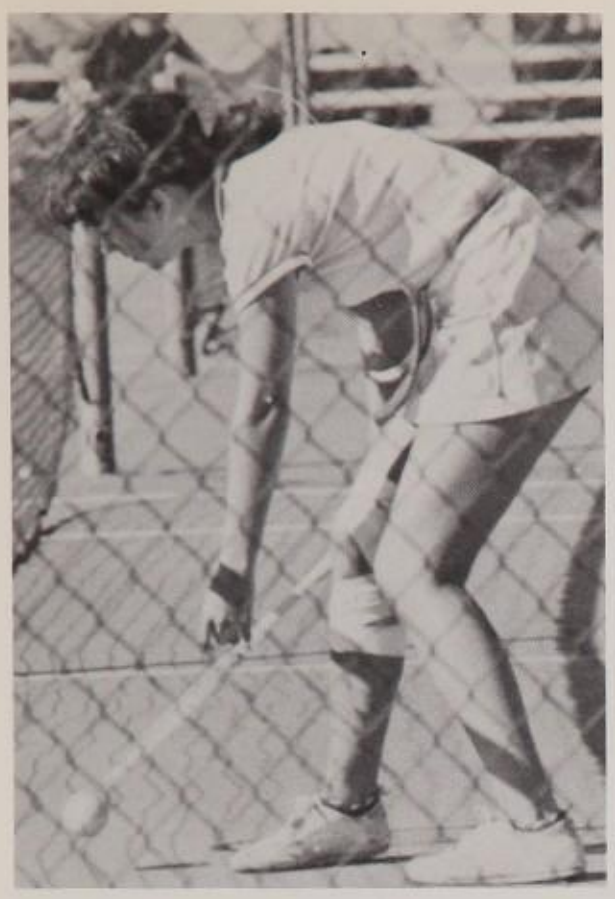
Girls' Tennis Volleys For The Title.



The Girls' Varsity tennis team won the majority of their games, while the J. V. went undefeated. Five of the J. V. players played Varsity matches this season. The teams did have some problems with illness and injuries, but still managed to carry on the Bell High spirit. The league as a whole is improving their skill and making the season more competitive. As a result, Bell Varsity came in third in the league.

Girls' Swim Has Undefeated Season In League.

Girls' Swim really worked hard this season to be undefeated in the Eastern League. It was Ms. Laurel Steinhoff's second season as Swim team coach. She again showed her coaching strength with Bell High victories. Senior Mary Coles was Captain, while Brenda McWhorter served as "C" Captain. A large number of tenth graders were on the team and we hope we can write stories of victory when they are seniors. In the All-City Finals, Vickie Shull placed second in the 50 meter freestyle, and third in the 100 meter individual medley.

Mrs. Sue Kamiyama gave Girls Basketball her all this past season. Ms. Maryann Cruz also gave time to help coach the teams in her short stay at Bell. The girls on Varsity and Junior Varsity really worked hard to make the season the best they could. They had a tough time getting it together, but kept the battle going strong. Many afternoons were spent practicing to help the teams play the best they could. The girls looked good on the courts this year, with their new uniforms. We hope next year's teams will make the effort and keep on trying.

The Bell High Varsity Basketball team has given us breath taking moments this season as they went to the San Dimas Tournament of Champions and won all of the three games. The team also went to the Christmas Tournament and won 2 out of 4 games. Coach Steve Roderick and the team Captain Matt Aysse showed exceptionally good leadership in taking their team into the playoffs. The varsity team brought the league season to an abrupt climax as they met with North Hollywood. Leonides Henry was given the title of being the Most Valuable Player for the team this year.

Badminton was all smiles despite a grueling season, and Gymnastics worked out hard.

Ms. Denise Barber worked hard again this year coaching the Badminton team. They were better this season with a 2-4 record. As a sport Badminton does not receive some of the recognition that other sports do, but they work just as hard at defeating their opponents. Gymnastics is a graceful and demanding sport. As the 1980 Olympics come closer to happening, we appreciate the hours and time that must be spent to create a Nadia Comenche or Curt Thomas.

The 1978-79 Varsity and Junior Varsity Volleyball Team has accomplished great succcess this season. With seven out of 10 wins for varsity, and 6 out of 10 for Junior Varsity. These teams have presented us with great volleyball playing; which has enabled them to go on to second in league for Varsity and third in league for Junior Varsity. Coach Kamiyama was proud of her team this season and feels that the team will take league next year. Kathy Hale and Diane Nicasio showed good strategy for the Varsity team. Sauwlirma Masoli and Terry Roders gave their opponents a good lesson in volleyball. The out going seniors will be greatly missed; Holly Thomer, Eva Nicasio, Donna Horton, Kathy Hale, and Kaala Mosalosalo.

Kickoff And Senior Breakfast Start Off Fall

The year got off to a fast start with the Kickoff dance, the first dance of the year. It was a big success for everyone involved. The theme was "Ready to Try Again". There was a disco dance contest with Elizabeth Martinez and Calixto Diaz declared the winners. Everyone there was dancing to the music. To add to all the fun, a live D.J. was there to help make it seem like it was at a discothque. The Senior Breakfast was also a great success. Everyone enjoyed themselves. The Conquistadores showed a lot of spirit as the Class of '79. Some of the things going on were the hat contest in which Julie Khoury won, and also the choosing of the Homecoming court. Those chosen were Gracie Garcia, Julie Khoury, Elizabeth Vasquez, Ana Perez and Marie Parker. There was a straw race between all the rows of tables. The Conquistadores can surely be named the very spirited Class of '79.

"Cheer And Wierd", Prowl Bell High.

This year many students dressed up for Halloween. It was a sight to see little girls, old ladies and other assorted "things" wandering around the school. It added an air of excitement to the school, as people were preparing to go trick-or-treating. Varsity and Bee cheerleaders tried to generate spirit in the school by staging mini-pep rallies at nutrition and lunch.

Hey!! Live From Bell High, It's Activity Time!

Friendliness was emphasized in many of Bell High's activities this year. New members were introduced to C.S.F. at the C.S.F. tea party held in the Eagles Nest. New members met old members and were told the activities planned for C.S.F. Student exchanges were held after school before football games. Students from other schools exchanged ideas and were given a tour of our school. This led to a better understanding between Bell High and neighboring schools who are sometimes considered rivals. Seniors were measured for their sweaters early in the fall.

Snow at Bell

One of the most colorful things to see at Bell is the Folklorico. This group of students practice for a long time to make it possible for the rest of us to see some of the dances and costumes from Mexico. Watching these people do their thing is one of the nicest shows you could see at Bell. And nothing really beats the day it snowed at Bell. Students were throwing snowballs at everything in sight. It was a lot of fun. The snow lasted through out lunch. Everyone really had a great time. This is one day Bell High students won't forget.

Homecoming Dance And Walk-A-Thon Big Attractions.

Probably the most memborable dance of the year was the Homecoming dance. It took place the night after the Homecoming game. The band rocked, everyone looked good, and it was a lot of fun. Homecoming Queen Gracie Garcia reigned over the dance along with the homecoming princesses. Those attending dressed their best in honor of Bell's homecoming game victory over Huntington Park and the selection of a new Homecoming Queen. The athletic walk-a-thon probably got more people involved than any other activity of the year. Students as well as teachers participated and got sponsors for every lap walked. Quite a bit of money was raised and distributed to the various physical education departments, and the student body. The enthusiasm of the student body and surrounding community was shown in the great participation of everyone.

The Christmas Dance was a big success this year. There was a big turn out and everyone had a good time. "Santa is Coming to Bell" was the theme. There were two dance contests, disco and freestyle. The winners of the disco dance contest were, yeah you guessed it, Calixto Diaz and Elizabeth Martinez. The always moving Darrell Montgomery and his date Judith Love were the winners of the freestyle dance contest. A Mr. and Mrs. Santa Claus contest was held with Fernie Lopez and Elene Quilaton as the honored couple. The Christmas Dance was a nice way to usher in the holiday season and impending vacation.

St. Patrick's Day Dance and Fashion Show at Bell.

This year at Bell a Fashion Show was held, it was staged by the Multi-Cultural Club. There were very many beautiful costumes from different countries worn by the students, some examples were Cuba, South America, Europe, and many others around the world. Also a St. Patrick's Day Dance was held. The luck of the Irish prevailed as Leprochauns ran around looking for someone to dance with. Everyone had a really great time looking for fun and their own pot o' gold and four leaf clover among the shamrocks.

The Enthusiastic Flags Entertained Us At Halftime Shows And Pep Rallies.

This year the Flags have been very busy. During the summer they had practices and also went to camp at Loyola Marymount University. They had bake sales and car washes in order to raise money for their spring banquet, and participated in the walk-a-thon to buy new flages. They also worked very hard practicing new routines for every halftime show. But even so, they still managed to find enough leisure time to go to Magic Mountain and Disneyland, for a day of fun and entertainment.

Varsity Cheer Were The "American Girls" On Campus.

How funky is your chicken? How loose is your goose? Do you remember these words? Those were the famous words of Bell High's varsity cheerleaders. Diana! Gracie! Alondra! Naomi! Debbie! Martha! Dinora! Ana! These are the eight senior girls who cheered our team on during football season and all our other games. They made tags for our varsity football players, banners for the football games, garters for the players at Halloween and cupcakes for all the varsity players. During the summer they attended cheerleading camp at Loyola Marymount University. Besides cheering at games the cheerleaders also cheered at pep rallies. These were eight spirited girls who cheered Bell to victory.

Leadership Had A Busy Year, With Activities And School Spirit

Student Government was sparked by many heated debates this year, which lead to active meetings and an inspired group of students. Fall '78 President Eva Nicasio, served her semester with a very busy schedule. She attended various meetings in the district representing Bell. The class also went over the constitution to study and to revise it. Students also revoted on the new school color addition. The official colors for Bell are: Purple, White, and Gold. Leadership also held several luncheons for visited school officers during football season, and gave them a tour around our school grounds.

Homecoming Week was always one of the biggest activities for Leadership. An organized schedule of the events and activities were constructed so the big week went very smoothly. The group started planning about two months ahead of time.

Spring '79 President Alondra Guliex saw that everything ran smoothly during her term. Mr. Ron Bauer was their sponsor for this year.

Bell High Starts Out Fresh Under New Leadership

This year at Bell, a new face appeared in the administrative offices. We gained a new principal, Mr. Jack Hastings. Bell really had some obstacles to overcome at the beginning of the school year, but Mr. Hastings worked hard to bring the school together. We appreciate the work that the administrators do, making sure the school runs smoothly. Counselors are important also at Bell. They are here to guide the students through their sojourn of study for the time they spend at Bell. Hopefully that line of communication is open so counselor and student is aware of the direction each is striving for. Last but not least is the teachers at Bell. Teachers are struggling throughout the state, even country, to help students survive in the world outside the classroom. At Bell, there are many teacher who make the world real for their students. Knowledge is important to help us understand about ourselves. We thank the teachers at Bell High for the knowledge they have imparted to us.

"The Mexican"

The Mexican works hard, day through night;
But what does He accomplish,
Not a single fight.
Some hold excellent occupations:
Architects, Chemists,
And Doctors who take care of their patients.
The truth to the matter is that he is constantly being kept down.
Just because he wears a frown:
He can not help it if he is sad and his heart is filled with sorrow.
Why, what will He tell his children the day of tomorrow?
Though the Gringo thinks he is rich and stronger,
The Mexican's faith and pride will endure much longer!

Well, it's coming to an end when we Seniors will be graduating from Bell. We had some good times and some bad times at school but we grew through it all. Remember when we first entered Bell in the 10th grade? We thought the school was so big and crowded and we'd never be able to find our classes. But at lunch time, we ate off campus for the first time. We were so glad we didn't have to eat school food that the long, never-ending lines didn't bother us. In the 11th grade everything was old hat, so we spent most of the time joining clubs and getting involved in different activities. But our Senior year was the best. We felt very important at the Senior Breakfast, and our spirit carried on through out the year. We enjoyed ourselves during all the activities: Homecoming, Spirit Week, Senior Picnic, the Prom, Senior Bar-B-Que. Now we will be going our separate ways. Some will go on to college, some will get married, and some will work, some might idly wander but whatever we do or wherever we go we will have many memories to take with us. As we, the Yearbook Editors close, we would like to thank the people who have helped make this yearbook what it is; Luz, Mando, Gwen, Curt, Roy, Jeff, and the whole staff for all the work and time they have put in to finish their sections to meet the deadline. We thank Robert for selling ads and handling the financial businesses, and Ricardo for designing the beautiful cover and the division pages. We would like to show our appreciation to our advisor, Mommy Shafer for all the time and love she gave us. We wish everyone happiness and success in their futures. Good Luck!
